*Alie 44 as a Two Year Old*

*Alie 44 as a Three Year Old*

**ABS Alliance Red FH3486**

*Alliance is a fancy young red sire, backed by a really strong Dutch cow family, noted for its strong component yields and type. His dam developed from a balanced, good uddered two year old, ribbing down and maturing into a beautiful young cow who milks and competes well in a predominately black and white 120 cow herd. Mating her to Elayo introduces one of the top sires to come through the Red and White breed in recent years, and adds production and type to this strong maternal line.*
