ABS Bona Fide Red

ABS Bona Fide Red FH3524

*Bona Fide Red is a classy young red bull, with a well structured rump, excellent feet and legs and he balances strength with dairyness in a stylish package. His sire Elayo rates as one of the top red and whites available anywhere today, thanks to strong production traits, a modern linear, and solid fitness traits. Blacky 370 is a fabulous cow, with a simply awesome udder, superbly attached with silky milky texture. She exhibits excellent width and strength from muzzle to rump, and tracks smoothly on clean boned, ideally set legs.*
