

BKB AFFIRMED-ET*TL*TV

by Tim Abbott

Ever since this bull entered the Judge's Choice program, the anticipation for him has been tremendous. His dam is one of the most popular cows in the world, Alicia EX-97. Part of the reason for the excitement is that she is a great show cow but along with this she is backed by a great cow family. Her offspring, along with that of her EX-94 full sister have commanded some of the top prices at sales around the world in the past few years. This is a show cow with pedigree power. Throw the great breeding bull, Lee on top of it and you get one of the most exciting new bulls in the business.

Family Information

AFFIRMED comes to our line-up through the popular Judge's Choice Program. He was selected for this prestigious program because of the popularity of his world famous dam, Shoremar S Alicia EX-97. Alicia has been a favorite for years with her beautiful frame, excellent feet and legs and picture perfect udder. Her popularity has made her a Queen of the Breed II finalist and the All-World and People's Choice winner in 2000. She has been nominated All-American or All-Canadian as a 2-year-old, 4-year-old, 5-year-old, Aged cow and 125,000 pound cow. She comes by her greatness naturally being the daughter of an All-American Starbuck daughter, Ada, who is EX-94. Alicia is part of one of the most famous pairs of sisters in the world, as her sister Chief Adeen EX-94 was an All-American Nominee two times herself and is a great brood cow with many show winners in her family line. When you combine the beauty and refinement that Lee transmits along with the style and power of the Alicias, it makes AFFIRMED one of the most valuable bulls anywhere in the world.

Daughter Information

AFFIRMED will add strength and power to your herd. They are tall and strong with great width throughout their body. They have tremendous capacity and will grow into great older cows. He should be used on an angular, dairy kind of cow. He sires a great foot and leg pattern with a deep heel and quality leg bone. He sires snug udders with great fore udders and high rear udders. If you like to hit the tanbark trail, use AFFIRMED on a refined dairy cow and get the show box loaded!
