

BURT should be no stranger to producers world-wide. He is from the heart of the Faith family bred by Bobby Lutz in Fairfield, Kentucky. This family is noted for their high milk production, great components and outstanding type. BURT continues the family tradition as he has good components, displays an excellent linear pattern, high type composites, and offers calving ease. BURT is a Top 25 TPI bull that sires fancy udders and loads of style. Burt Alert!

Family Information

BURT is backed by an outstanding sire stack of Aaron x Prescott x Leadman x Bell Troy x Ivan x Glendell. This cow family is very impressive. His 6 closest dams are VG or EX with a best record average over 13,500 kg milk and 4.1% fat. BURT has several outstanding sisters: LANTZ @ 86, 85 & 85, Aaron @ 86 and a BW Marshall @ 85. His dam, Fawn features the following sisters: Bellwood's @ 93 & 90, DUSTER's @ 90 & 88, Labelle @ 86 and a VG-85 full sister.

Daughter Information

BURT sires well balanced daughters that are tall with ideal dairyness and correct slope from hips to pins. They will wear well on concrete as the leg is straight from the side & rear with a tremendously deep heel. The udder is carried high above the hock with a strong center cleft and close front teat placement. The fore udder fits snugly to the body wall.

Mating Information

BURT is a calving ease specialist that will cross well on daughters of BERGWIL, BOMBAY, Durham, Gibson, J Ford, MODESTO, OZZIE, and PIPPEN. Outside, Tugolo and Mtoto
