Catlane Corsair, sire of Caleb

Catlane Crescendo Christine (9 years old)

Catlane Caleb FH3181

- *Catlane Caleb is bred to sire long lasting cows, with six 100 tonne cows in his pedigree. Catlane Corsair, the sire of Caleb, has excellent scores for lifespan (+0.5) and SCC (-19) and his daughters have done very well on grassland farms in Ireland, with an EBI of 184 euros.*
- *Caleb is bred from the Christine family, which has produced many top bulls. His 9,000kg dam looks very well and she is a grand daughter of Catlane Durban Christine that gave 135 tonnes of milk.*
