Deangate Cindy 27 VG87

Deangate Consul

Deangate Consul FH3178

- Deangate Consul is bred from an excellent cow family and his dam is a maternal half sister of Deangate Centurion, one of the highest ranking Friesian bulls ever with a PLI of £106. Consul's grand dam gave 94 tonnes of milk over 11 lactations.
- Marshside Rocket 3rd, the sire of Consul, has an outstanding proof based on 370 milking daughters. Rocket 3rd daughters look fantastic and milk well for many lactations. He is £126 PLI, +0.6 lifespan, +1.7 fertility Index, +2.44 Mammary and +1.14 Legs and Feet.
