Statistics

Reliability: 70%

Calves: 120

Herds: 103

Calving Survey

	Below average BSI score 70	Average BSI score 100	Excellent BSI score 130	Actual sire statistic
Calving Ease (cows)			120	2.9%
Gestation Length (Days)		100		287 days
Calf Quality			124	61%

Genus ABS Breed Averages:

Calving Ease (cows) 4.6%

Gestation Length 287 days

■ Columbo now has a large number of observations in his calving survey.

■ His calves are born with ease, which is shown by his excellent BSI score of 120 for ease of calving.

■ His BSI score of 124 for calf quality shows that his calves are high quality and will command a premium in the market place and breed average for gestation length.

■ Columbo has that very rare combination in the Charolais breed, of excellent calving ease coupled with great calf quality.
