### Family Information

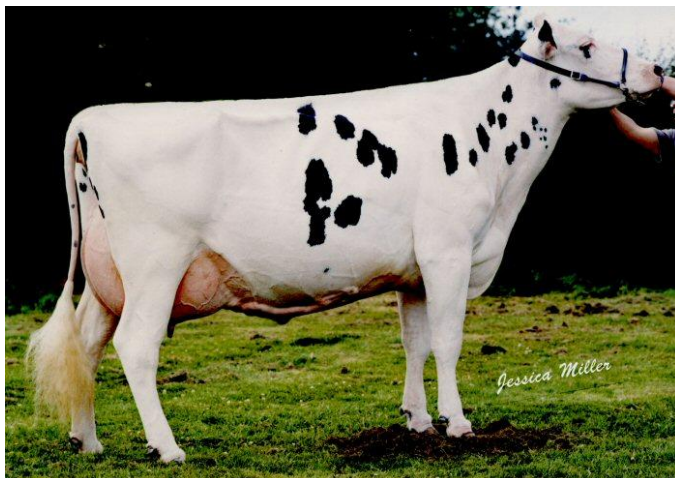

Field-Of-Dreams Formation Erle EX95 is the top selling cow in UK Holstein breed history setting an all time high of £80,000 in 2003. This fifth generation EX has also taken Reserve Grand Champion at the UK National Holstein Show on two occasions and has bred 10 VG daughters to date. Her dam, Smiddiehill Jed Erle, also EX95, bred nine EX or VG daughters and has also taken Reserve Champion at the UK National Holstein Show. EMPEROR is out of one of Formation Erles best daughters, a VG88 Mtoto who has already bred a VG87 full sister to EMPEROR.

### Daughter Information

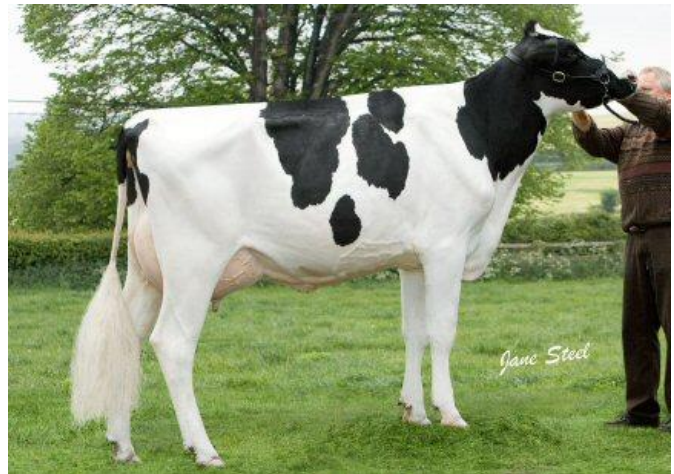

Consistency is the key with EMPEROR who stamps his daughters with tall, long, open, dairy frames. Rumps slope perfectly from hook to pin with plenty of width, and ideal thurl placement. Velvety textured udders are smashed on high, wide and handsomely and he also adds teat length. EMPEROR straightens leg set and leaves clean hocked daughters that track straight as a die and he will add heel depth in any mating. They are mild mannered and hassle free in the parlour, ensuring they are as good to work with as they are to look at.

### Mating Information

EMPEROR will work well on milking daughters of NANSEN, REECE, DRAGON, MELODY, DRAKE and cattle with Ford or Outside influence.
