Calf Quality		120		49%

Genus ABS Breed Averages: Calving Ease (cows) 1.5% Calving Ease (heifers) 4.9% Gestation Length 282 days

■ TENDER FORCE has been specially selected for his excellent carcass traits for eye muscle and growth.

■ TENDER FORCE is the first of our joint venture bulls from the US to help to integrate the beef supply chain.

■ It is important for us to use as much TENDER FORCE semen in dairy cows as possible, so we can generate a calving survey, as soon as possible.
