(63 tonnes in 11 lactations)

Llandoverly Jinnys Empire

White Gates Jinny 9<sup>th</sup> VG89

- White Gates Jinny VG89, the dam of Llandover, is Australia's best ever Red cow for 305 day butterfat production and she is bred from a long line of high yielding cons.
- Llandover's pedigree includes outstanding Shorthorn and Holstein bloodlines. He is a son of Faber, a Red and White Holstein bull that sires high producing cows with excellent udders.
- Glenhaven Begonia 8<sup>th</sup>, a daughter of Empire, was 1<sup>st</sup> and RES junior champion at the 2008 Illawarra show in Australia.
