- *Jupiter is bred from an excellent cow family with tremendous longevity. His EX dam looks very well, milking in her 5th lactation, his g.dam had 8 lactations, gg.dam 13 lactations and ggg.dam 16 lactations. The family are also consistently high milk producers, with very good fat and protein percentages.*
- *DJ May, the sire of Jupiter, is one of the best breeding daughters that are easy to get in calf. He has a fertility index of +4.5.*
- *Jupiter offers an outcross pedigree, being a son of DJ May out of a daughter of Royals Green Elmo.*
