- The dam of Auchensale Special Trust is one of the top production cows in the Ayrshire breed, having given 95 tonnes in 9 lactations with two yields over 12.000kg. Special trust is a maternal half brother of Auchensale Lady Celendine VG87, that is developing into a tremendous cow.
- Special Trust is a son of Changue Tryst, who has an excellent all round proof. His dam is by Torpane, a well known Swedish Red bull.
