**Terbeek Tabasco Red FH3039**

*Beautiful cows, outstanding udders, high yields, three descriptions that fit the Golden family perfectly. Via one of the complete Oman daughters around comes a terrific Classic daughter that you just want to take home with you. Her mating to Spencer, the top Red and White bull in the breed today, ensures that components are high and the sire stack is exemplary for fitness and secondary traits. Tabasco is a stylish and well made true red bull with top quality legs and feet*
