➤ Jovial has well balanced EBV's which makes him an ideal sire to produce low maintenance, productive suckler cows. This is demonstrated by some commercial producers on the borders of Scotland.

➤ A show-winning sire, Jovial was Male Champion at the Royal Highland Show in 2006.

➤ A homozygous and polled sire, Jovial is suitable for use on heifers due to his good calving figures.

R Royalty held with the owner of the bull.
