Tredinney Buzzards Astronomer

Tredinney Buzzards Astronomer G9877

- Astronomer won The Hunton Trophy in 2007, awarded to the young bull with the highest GMI born during the year.
- Astronomer is bred from one of the best cow families in the well known Tredinney herd in Cornwall. His dam, Tredinney Als After That, was recently classified EX90 in her fifth lactation and she has a VG87 full sister and a VG88 maternal half sister.
- Treloweth Harebells Buzzard, the sire of Astronomer, is out of Treloweth Harebell 73 EX92 - she was a fantastic cow and gave over 11,000kg in her fifth lactation.
