Progeny of Dictator

- A breed outlier, Dictator and the progeny he produces exhibit extreme muscling.
- He is a must for those who want to breed show-winning progeny.
- Sire by Dalrene Cruz, he silhouettes his fathers traits, demonstrating power and exceptional character.
- Dictator is an ideal choice for both pedigree breeders and commercial producers.

Selection Index Values: Terminal Index (GBP) +33
Self Replacing Index (GBP) +51

- Mighty Prince is a superb, easy calving sire.
- High milk values make him an ideal choice for maternal traits.
- He produces females with a short gestation.
- He displays tremendous conformation and growth.
- Calves are born easily but are significantly heavier at weaning.
